My dearest Boys. Mama.

It was so kind of you to have taken the trouble of ringing us up. You must have got my letter by now. We are ever grateful for all the interest you are showing for us.

I know that it is indeed a big decision to take to give up the Service but under all circumstances we feel it is best. He has opened that list at Pietermaritzburg with all the cash he had now to work it he has no money so he will have to draw from his D.S.O.P. His Brother who was to have looked after it is showing his real colour by not paying 140 Rs or so C had given him to pay rates and — neither does he write a letter nor does he visit the p[illegible]. The Labour Men wants to see us for wages !! If C could retire - get the Cash + also a job somewhere close by we could develop the land + wait for pensions next 10 years time. To tell you the truth - This

matter he earns
— 250 Rs in the Bank
He can go on for
another year or so in
the South — after that?
with the children
growing up it is
better to have a set
place & work for it. now.
Please can you
write to Mr MANDATHIA
he does help. Two
matters back he
brought a Major in
his place & employed
him at the Gwalior
Rajas at Rs 1,800
as an Administrative
job. This chap says
he just wrote & asked
him directly for a job.
Say to Mother Jan
but who else have we?
